¹ JP 10-202822 was previously submitted via an IDS on February 21, 2002, and, therefore, is not submitted herewith. Also, although JP 04-43036 has been made of record by the Examiner in the Office Action of February 6, 2003, it is listed here again to correct a typographical error in the Examiner's listing thereof on the copy of PTO form-1449 enclosed with the February 6 Office Action and, thereby ensure its proper notation on any patent issuing from this application.

The present Information Disclosure Statement is being filed after either a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), but before payment of the Issue Fee, and therefore Applicants are submitting herewith a check for the fee of \$180.00 under 37 C.F.R. §1.17(p), and a Statement Under 37 C.F.R. §1.97(e).

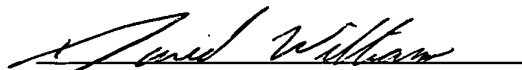

The present Information Disclosure Statement is being filed thirty days or fewer from the communication from a foreign patent office and a Statement Under 37 C.F.R. §1.704(d) is also attached.

Additionally, English-language Abstracts of the foreign language documents are submitted herewith.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any over-payments to said Deposit Account. A duplicate copy of this paper is also attached.
